**SWIMMING  
STORYBOOK**

I take swimming lessons at Texas Swim Academy. Swim lessons are a time for learning. I wait until my teacher tells me to get in the water. My teacher helps me learn to swim. I listen to my teacher.

My swim lessons are 15 minutes long.

My teacher's name is \_\_\_\_\_.

When I go to my swim lesson

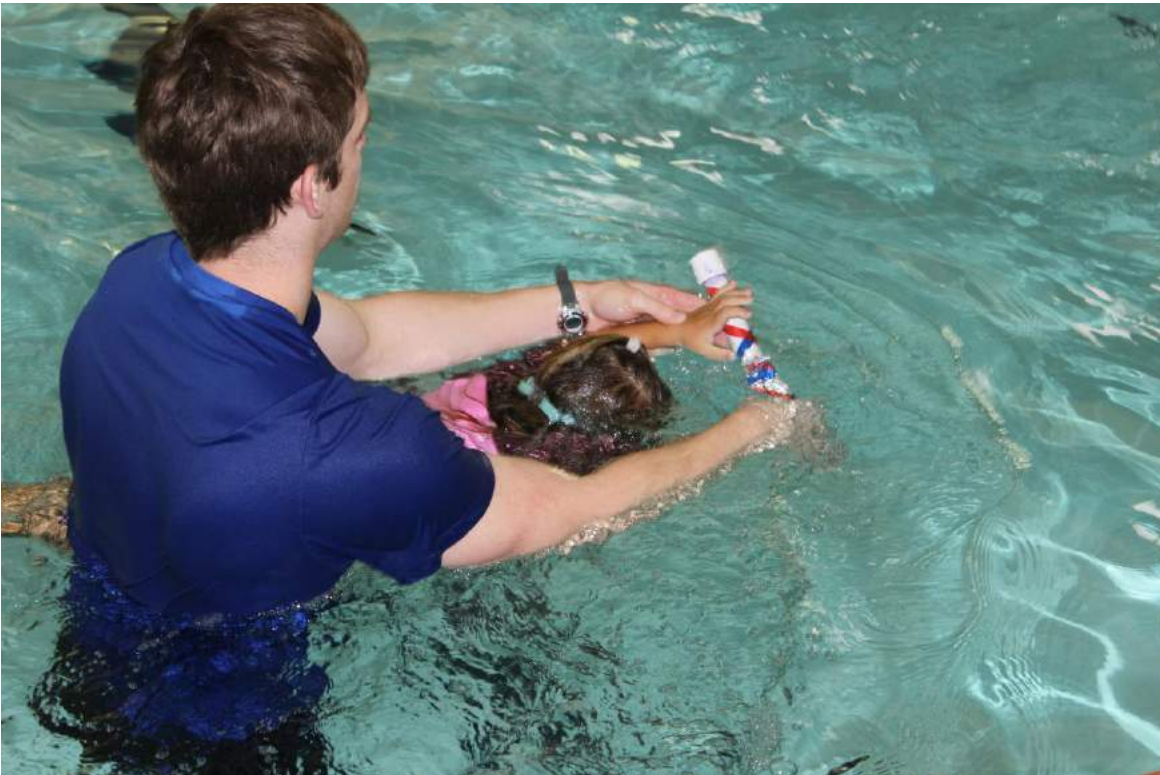

\_\_\_\_\_ will be very proud of me.

I get in the pool with my teacher.

I learn to hold my breath and put my face in the water.

I learn to swim to the wall or to my teacher.

I learn to float on my back.

I learn to be safe and have fun in the water!
